

Portland Harbor additional figures to Eric 's message of 8/6/09

Rene Fuentes to: Deb Yamamoto, Kristine Koch, blischke.eric,
Humphrey.Chip

08/24/2009 02:37 PM

Some figures which may be of help in addition to those Eric sent on email of 08/06/09.

This is the location of all the available cross sections from LWG report of 2003.

Fig_3_1.pdf

This is the cross section I-I' across the river near Sauvie Island RM 3.5

Fig3_11_Ii.pdf

This is cross section H-H' across the river near Doane Lake areas & McCormick & Baxter

Fig3_10_Hh.pdf

Many of the cross sections in the Area of GASCO, Siltronic, and Arkema have been updated from what was originally presented in the 2003 LWG report. I will look up some of these and send them your way.
